Release 1.0 Acceptance Documents

Easy Commerce

3/17/17

Team Members:

Gerardo Espinoza (gespino7)

Paula Espiritu (mespirit)

Ali Alkaheli (aalkahel)

Michaela Molina (mjmolin)

Daniel Hu(jhu125)

Complete User Stories

- As a vendor, I want to create an online shop so that I can sell items.
- As a vendor, I want to display my online shop so that I can sell items to customers.
- As a buyer/vendor, I want a detailed welcome page so that it can redirect me to the right place.
- As a vendor, I want to be able to confirm incoming online orders so that I can notify the user that the order has been accepted.
- As a buyer, I want to be able to place an order so that I can purchase from a store.
- As a vendor, I want to create an online shop so that I can sell items.
- As a user/buyer, I want to be able to login so I can keep track of my current and previous orders.
- As a buyer, I want to be able to select from a list of existing vendor so that I can purchase items from a particular shop.
- As a user, I want to be redirected to the appropriate page once I sign in so that I can utilize the website depending on my needs.
- As a buyer, I want to be able to place an order so that I can purchase from a store.
- As a vendor, I want to be able to see my personal sale dashboard so that I can manage my shop.

Known Bugs

- Cannot display items based on vendor.
- On vendor's dashboard page, the vendor cannot view the details of comments
- When we proceed to checkout, the invoice table doesn't update its amount value.
- Displaying menu
- Adding things to the shopping cart
